ART UNIT PAPER

20060807

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Claims 28 and 29 were pending. Claims 1-27 were cancelled by Applicant's Amendment dated April 28, 2006 and claim 29 was cancelled by Applicant's amendment dated May 30, 2006. Claim 28 is pending.

Applicant's arguments filed May 30, 2006 have been fully and were fully considered previously but they are not persuasive for the reasons previously set forth.

The reply filed on May 30, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has failed to elect either a specific opium alkaloid or a specific calcium calmodulin dependent protein kinase (CaMKII) inhibitor as required in the previous two Office Actions, mailed May 8, 2006 and March 31, 2006. Specific opium alkaloids and calcium calmodulin dependent protein kinase inhibitors were specifically cited in previous claims and in the Specification, see, e.g. pages 4,-6, 10,-12, 15-16, 21-29. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to jennifer I. harle whose telephone number is (571)-272-2763. The examiner can normally be reached on Monday through Thursday, 6:30 am to 5:00 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor Cecilia Tsang can be reached on (571) 272-0562. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
